

POLYGLASS

WARRANTY OFFER No. _____

Warranty

STATEMENT OF WARRANTY

This Warranty is given by the Guarantor to the Customer and applies to the Integra or Isostretch Waterproofing System detailed in the above Warranty offer. It is an assurance that for the agreed term following the final inspection acceptance date, the Guarantor will, without charge, repair in good and workmanlike manner and as soon as practicable, any part of the roof at the location of the customer's building in which has been incorporated the materials set out in the Warranty offer where the roof fails to remain watertight due to defective Integra or Isostretch materials and/or faulty workmanship by the Guarantor's approved contractor.

Subject to:-

- (i) The customer complying with the conditions set out overleaf and
- (ii) The other provisions of the warranty
